

STATEMENT OF PURPOSE

RS21874

This legislation addresses the balance between urban and rural voters in the question of qualifying initiatives or referendums for the ballot. It would require collecting signatures of not less than 6% of registered voters in each of at least 18 Idaho legislative districts, provided that the total number of signatures equals at least 6% of the number of registered voters in the state.

FISCAL NOTE

There is no fiscal impact to the General Fund.
